PRE-AUTHORISATION

The importance of pre-authorisation

We want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

Why should I pre-authorise treatment?

So that **you** can tell **us** about **treatment** that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details. **We** can then:

- check if the policy covers **your treatment**
- check if the provider is part of **our network**
- help **you** find a provider within **our network**
- explain any limits that apply
- tell the provider that **you** are a **Bupa Global** member. **We** have agreements with **our network** providers for **treatment** charges
- case-manage complex **treatment**. The table of benefits clearly shows the complex **treatments we** want **you** to tell **us** about. Please contact **us** if **you** need any of these. **We** may ask for more information (for example to check if any policy exclusion applies)
- see if **we** can pay any bills directly to the provider. This will mean **you** don't have to pay and claim the costs from **us**.

If **you** have **treatment** with a provider who is not part of the **network**, **we** may only pay costs that are **reasonable and customary**. This could leave **you** with a shortfall to pay.

Before **we** can authorise **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

We may appoint an independent medical professional and ask **you** to have a medical examination with them (at **our** cost). They will then give **us** a medical report.

When **you** have pre-authorised **treatment** with one of **our network** providers, **we** will cover the costs if, at the time **you** have that **treatment**:

- the policy is in force
 - **you** are covered by the policy
 - premiums are paid up to date
 - the pre-authorisation is still valid.
- When **we** authorise treatment, **we** will tell **you** how long it is valid for.

How do I pre-authorise my treatment?

Login to the MembersWorld app, go to <https://membersworld.bupaglobal.com> or contact **us** by phone or email. When **we** have the details, **we** will send **you** and the provider a pre-authorisation statement.

What if my pre-authorisation is no longer valid? Can I get a new one?

Yes. Just follow the process again.

What if I need to go to hospital in an emergency?

In an emergency there might not be time to contact **us**. If this happens, it is important that the hospital contacts **us** within 48 hours.

THE CLAIMING PROCESS

If **you** need assistance with a claim **you** can

- o Go online at <https://membersworld.bupaglobal.com>
- o Call **us** on **+44 (0) 1273 323 563**
- o Email info@bupaglobal.com

Whether **you** choose direct settlement or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or **healthcare facility**.

How to make a claim

The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an on-line claim or uploading any completed claim form.

Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.

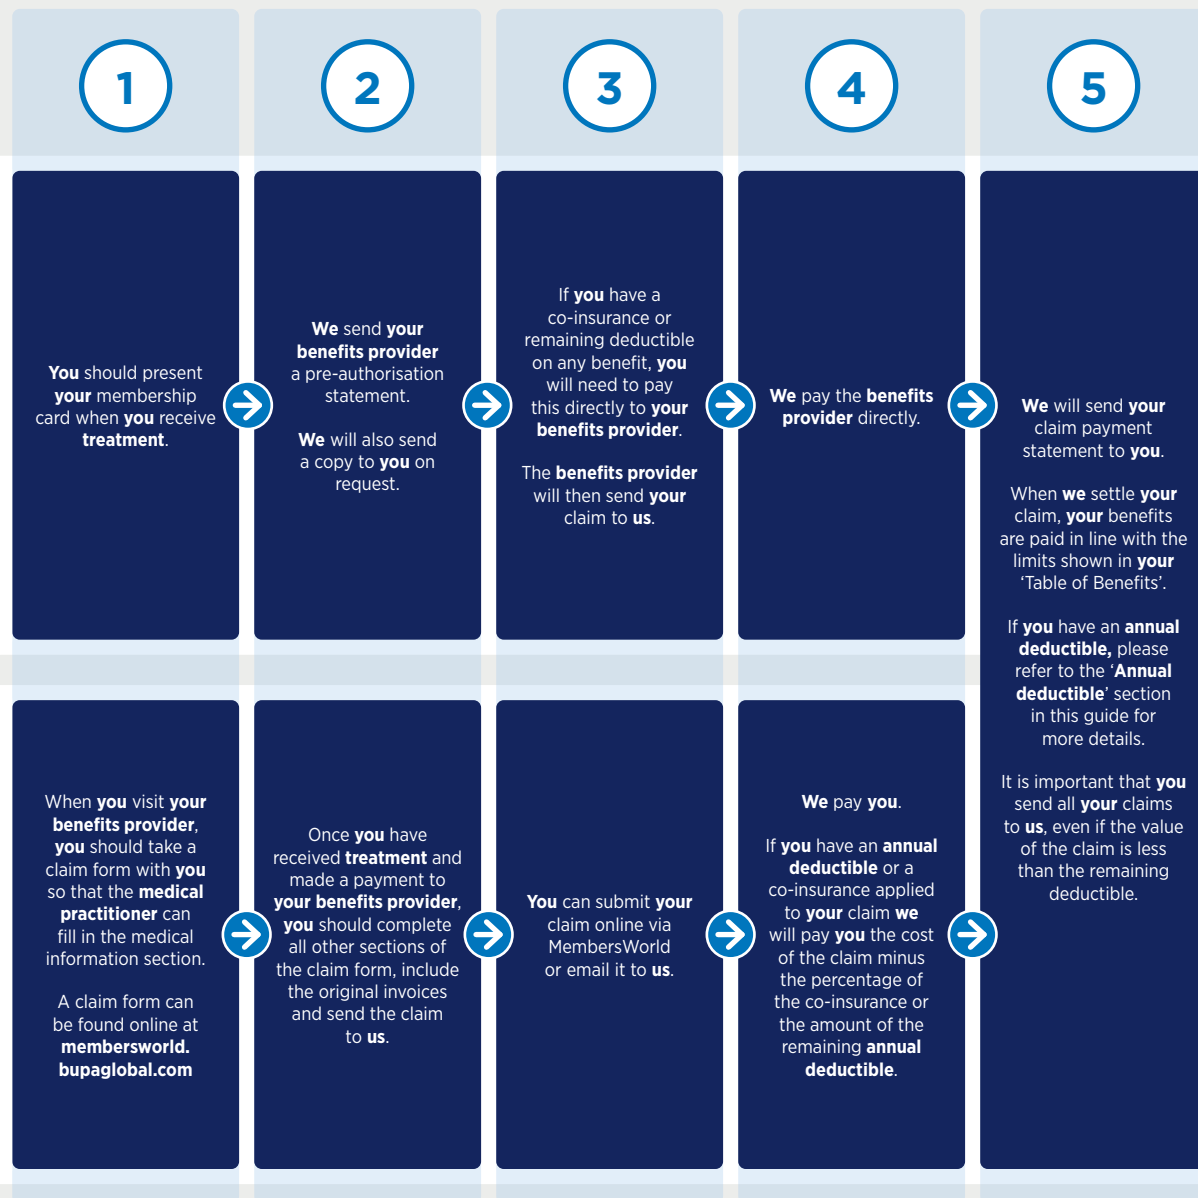

Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

How to use your plan

Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

Participating hospitals

To help **you** find a facility quickly and easy, visit bupaglobal.com/en/facilities/finder. **We** can normally arrange direct settlement with these facilities too.

Getting treatment in the U.S.

You must call **our** dedicated team on 844 369 3797 (from inside the U.S.), or +1 844 369 3797 (from outside the U.S.) to arrange any **treatment** in the U.S.

Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** global **networks**, **our** knowledge and **our** experience.

Pre-authorising in-patient treatment and day-case treatment

You must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well.

The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

What to send

We must receive a fully completed claim form and the invoices for **your treatment**, within 2 years of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

Your claim form

You must make sure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- **we** can pay **you** or the **hospital**
- **we** can pay by cheque or by electronic transfer
- **we** can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

Tracking a claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld website.

Claim payment statement

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. If **you** subscribe to **our** secure MembersWorld website, **you** can view **your** documents online, upload **your** claims and view **your** claims statement.

About your Membership

The company plan is a group insurance plan. **You** are therefore one of a group of members, which has a **sponsor** (normally the company that **you**, the **principal member** work for).

This plan is governed by an **agreement** between **your sponsor** and **Bupa Global**, which covers the terms and conditions of **your** membership. This means that there is no legal contract between **you** and **Bupa Global**. Only the **sponsor** and **Bupa Global** have legal rights under the **agreement** relating to **your** cover, and only they can enforce the **agreement**.

However, if **you** are a contributing individual, **you** will have legal rights as set out in this Membership Guide. Please see the section 'Contributing Individuals'.

As a member of the plan, **you** do have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our** members.

The following must be read together as they set out the terms and conditions of **your** membership:

- **you**, the **principal member's** application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in this Membership Guide
- **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member**, must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes.

Your new country may have different regulations about health insurance. **You**, the **principal member** need to tell **your sponsor** of any change so that **we** can make sure that **you** have the right cover.

What is covered?

Please read this important information about the kind of costs that **we** cover.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Wellness' and 'Full Health Screening' in the table of benefits and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

Our approach to costs

When **you** are in need of a benefit provider, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of benefit providers on Facilities Finder at bupaglobal.com/en/facilities/finder.

Where **you** choose to have **your treatment** and services with a benefit provider in **network**, **we** will pay all covered costs of **treatment**, once any applicable co-insurance or deductible amount which **you** are responsible to pay has been taken from the total claimed amount.

Should **you** choose to have covered benefits with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the benefit provider must be no more than they would normally charge, and be similar to other benefit providers providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-**network**' benefit provider will not be paid.

This means that, should **you** choose to receive covered benefits from an 'out-of-**network**' benefit provider:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-**network**' benefit provider;
- **we** cannot control what amount **your** chosen 'out-of-**network**' benefit provider will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a benefit provider in **network**, for example, if **you** are taken to an 'out-of-**network**' benefit provider in an **emergency**. If this happens, **we** will pay all covered costs of **treatment** (after any applicable co-insurance or deductible has been taken).

If **you** are taken to an 'out-of-**network**' benefit provider in an **emergency**, it is important that **you**, or the benefit provider, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a benefit provider in **network** to continue **your**

treatment once **you** are stable. Should **you** decline to transfer to a benefit provider in **network** only the **Reasonable and Customary** costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been taken).

More rules may apply in respect of covered benefits received from an 'out-of-**network**' benefit provider in certain countries.

Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

Variations to your benefits

Your sponsor may have agreed variations to this benefit table with **your** insurer. If so, **your sponsor** will let **you** know of these variations.

How to read the Table of benefits

There are four levels of cover: Essential, Classic, Gold and Gold Superior. **You** need to read the column in the Table of benefits that applies to **your** level of cover, as shown on **your** membership certificate.

Benefit limits

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

Gold Superior cover only: on the Gold Superior level, this 'overall annual maximum' also incorporates an annual maximum per condition.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no more claims will be paid, regardless of the renewal of **your** plan. This applies to all Bupa administered plans **you** have been a member of in the past, or may be a member of in the future, even if **you** have had a break in **your** cover.

Currencies

All the benefit limits in this 'Table of Benefits' and notes are set out in three currencies: GBP, USD and EUR. The currency in which **your sponsor** pays **us** premiums is the currency that applies to **your** membership for the purpose of the benefit limits. The currency applicable for **your** contract is as shown on **your** membership certificate.

For example, if **your sponsor** pays **us** premiums in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have a co-insurance, **you** can either check on **your** membership certificate, through **our** MembersWorld website or contact the customer services helpline.

Assistance cover (Evacuation and Repatriation)					<p>Your membership certificate will show if you have purchased this cover. Please see 'Assistance cover' section.</p> <p>The overall annual maximum benefit limit does not apply.</p>

What is not covered?

In the 'Exclusion' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your** plan. **You** may also have personal exclusions or restrictions that apply to **your** plan, as shown on **your** membership certificate. No personal exclusions or restrictions shall apply where **we** have agreed with **your sponsor** that medical history has been disregarded.

Do you have cover for pre-existing conditions?

When **your sponsor** applied for **your** plan **you** may have been asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer - **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this plan. **We** may have offered to cover any **pre-existing conditions**, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your** plan. If **we** have applied any personal exclusion or other restrictions to **your** plan, this will be shown on **your** membership certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** membership certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your** plan. If **you** are unsure about anything in this section, please contact **us** for confirmation before **you** go for **your treatment**.

General Exclusions

The exclusions in this section apply as well as and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** membership certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- more or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note:

Our global health plans are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be named on it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are affected by its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for advice. For customers whose coverage is provided under a group health plan, **you** should speak to **your** health plan administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. More rules may apply in respect of covered benefits received from an 'out-of-**network**' benefit provider in certain specific countries.

Pre-authorization

This section contains rules and information about what pre-authorization means and how it works.

We would like to make **you** aware that there are certain benefits which **you** must receive pre-authorization for. These are detailed in **your** 'Table of Benefits'. Benefit may not be paid unless pre-authorization has been provided.

What pre-authorization means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** premiums are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** needed
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section)
- the **treatment** is **medically necessary**
- the **treatment** takes place within 31 days after pre-authorization is given

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**. **We** may require that **you** have a medical examination by an independent **medical practitioner** appointed by **us** (at **our** cost) who will then provide **us** with a medical report. If this information is not provided once requested, this may result in a delay in pre-authorization and to **your** claims being paid. If this information is not provided to **us** at all this may result in **your** claims not being paid.

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

We aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or clinic.

Length of stay (in-patient treatment)

Your pre-authorization will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorization.

Treatment in the U.S.

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, and CT and PET scans in the U.S. must be pre-authorized. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact the U.S. service center for pre-authorization. All the information they need is on **your Blue Cross Blue Shield Global** membership card.

We have made special arrangements if **you** need to have **treatment**, be hospitalised, or visit a doctor in the U.S. This includes access to one of the largest **networks** of medical providers and facilities, and direct settlement of all covered expenses when **you** receive **treatment** in a **network hospital**. To find providers or **hospitals** that are in **network**, **you** can contact the U.S. service center or use the website listed on **your Blue Cross Blue Shield Global** membership card. **You** will need to present **your Blue Cross**

Blue Shield Global membership card to providers and **hospitals** when **you** access care.

Treatment which has not been pre-authorized

If **you** choose not to get **your in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. pre-authorized, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorized, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been taken to a **hospital** that is out-of-**network** and, if it is the best thing for **you**, **we** may arrange for **you** to be moved to an in-**network hospital** to continue **your treatment**, once **you** are stable. Should **you** decline to transfer to a provider in **network** (should this be offered to be arranged, where medically appropriate) only the **Reasonable and Customary** costs of any covered **treatment** or services received following the date of the transfer being offered will be paid (after any applicable coinsurance or deductible has been taken).

If **we** have been notified within 48 hours of an **emergency** admission to an in-**network hospital**, **we** will not ask **you** to share the cost of **your treatment**.

Out of network treatment

Even if **your treatment** in the U.S. has been pre-authorized, if **you** choose to use a **hospital**, clinic or **medical practitioner** out of **network**, **we** will only pay **Reasonable and Customary** costs towards the cost of covered **treatment**. Please see the '**Our** approach to costs' section of this membership guide.

There may be times when it is not possible for **you** to be treated at an in-**network hospital**. These include:

- where there is no in-**network hospital** within 30 miles of **your** address, and
- when the **treatment you** need is not available in at in-**network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

Important rules

Please note that pre-authorization is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** needed, if **you** need to have more **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** may change or withdraw **our** decision if information is withheld or not given to **us** at the time the decision is being made.

We may change or withdraw **our** decision if information is received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for more information may be treated as an sign of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Assistance Cover

(optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** membership certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

What is Assistance cover?

When the **treatment** you need is not available locally, the Evacuation and Repatriation options both cover **you** for reasonable transport costs to the nearest appropriate place of **treatment** where the **treatment** that **you** need is available, if it is not available locally. Repatriation also gives **you** the option of returning to **your specified country of nationality** or **your specified country of residence** when the **treatment** is not available locally.

We may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

Assistance cover—general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- **you** must contact **our** appointed representatives for confirmation before **you** travel, on +44 (0) 1273 333 911
- **our** appointed representatives must agree the arrangements with **you**
- Assistance cover is applicable for **in-patient treatment** and **day-case treatment** only
- the **treatment** must be recommended by **your consultant** or **family doctor** and, for medical reasons, not available locally
- the **treatment** must be covered under **your** plan
- **you** must have cover for the country **you** are being treated in, for example the U.S.
- **you** must have the appropriate level of Assistance cover in place before **you** need the **treatment**

Evacuation or Repatriation will not be covered if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

We will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling + 44 (0) 1273 333 911. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa Global's** appointed representatives.

Evacuation cover:

What we will pay for

If **you** have Evacuation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**. It may also be authorised if **you** need advanced imaging or cancer **treatment** such as radiotherapy or chemotherapy.
- **We** will only pay for Evacuation to the nearest place where the **treatment** needed is available when the **treatment** is not available locally. This could be to another part of the country that **you** are in, and may not be **your** home country.
- **We** will pay for the reasonable travel costs for a relative or **your** partner to accompany **you**, but only if it is **medically necessary**.
- **We** will also pay for the reasonable costs of **yours** and **your** relative or partner's return journey to the place **you** were evacuated from. All arrangements for **your** return should be approved in advance by **Bupa Global** or **our** appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of an economy class air ticket by the most direct route available, whichever is the lesser amount

- **we** will pay reasonable costs for the transportation only of **your** body, depending on airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment** **you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Repatriation cover:

What we will pay for

If **you** have Repatriation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline. Repatriation cover also includes Evacuation cover — see above.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**.
- **We** will pay for repatriation to **your specified country of nationality** or **your specified country of residence**, when the **treatment** needed is not available locally.
- **We** will pay for one repatriation for each illness or injury per lifetime.
- **We** will pay the reasonable costs for a relative or **your** partner to accompany **you** to **your specified country of nationality** or **your specified country of residence** if **we** have authorised this in advance of the repatriation.
- **We** will also pay an allowance of up to GBP 25, USD 50 or EUR 37 per day for up to 10 days to cover the living expenses of the person accompanying **you**.
- **We** will pay for **you** and the person accompanying **you** to return to where **you** were repatriated from. All arrangements for

your return must be approved in advance by **Bupa Global** or **our** appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of a scheduled return economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, depending on airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the repatriation such as hotel accommodation or taxis. Costs of any **treatment** **you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Annual Deductibles

Please read this section if **you** have an **annual deductible** on **your** plan.

Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the **annual deductible**, **you** should still submit a claim to **us**

- this is an **annual deductible**, therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**
- if **your** claims are paid direct to **your** medical provider, **you** are responsible for paying any deductible shortfall to the provider after the claim has been assessed and paid

What is an annual deductible?

The **annual deductible** is the total value that **your** covered claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of GBP 500, the total value of **your** covered claims must reach GBP 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

Annual deductibles are only available on the following levels of cover:

- Essential
- Classic
- Gold

The following levels of cover do not qualify for **annual deductibles**:

- Classic with dental
- Gold with dental

- Gold Superior
- Gold Superior with optical and dental

How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement letting **you** know how much is left.

If a covered claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all covered claims in full, up to the benefit limits of **your** plan.

How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- **your** benefit will be paid less the amount of the **annual deductible**
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**

How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** benefit provider:

- **we** will send payment to the benefit provider for the covered claim. **We** will deduct from this payment the remaining **annual deductible** on **your** membership
- **we** will send **you** a statement as usual, confirming the amount that **we** have paid towards **your** claim
- **you** are responsible for paying any shortfall to the provider after **your** claim has been assessed and paid

You are responsible for paying the **annual deductible** in all circumstances.

Your Membership

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

Paying premiums and other charges

Your sponsor has to pay any and all premiums due under the **agreement**, together with any other charges (such as insurance premium tax) that may be payable.

If **you** are a contributing individual, please see the section 'Contributing Individuals'.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of Company membership.

Renewing your membership

Your sponsor will decide on the renewal of **your** membership as part of **our agreement**.

If **you** are a contributing individual, please see the section 'Contributing Individuals'.

Ending your membership

Your sponsor can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable), from the first day of a month by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

If **you** are a contributing individual, please see the section 'Contributing Individuals'.

Your membership will automatically end:

- if the **agreement** between **Bupa Global** and **your sponsor** is terminated
- if **your sponsor** does not renew **your** membership

- if **your sponsor** does not pay premiums or any other payment due under the **agreement** for **you** or for any other person. If **you** are a contributing individual, please see the section 'Contributing Individuals'.
- if the membership of the **principal member** ends
- upon the death of the **principal member**

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

The details of regulations vary from country to country and may change at any time.

In some countries **we** have local partners who are licensed to provide insurance cover but which are administered by **Bupa Global**. This means that customers experience the same quality **Bupa Global** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without more medical underwriting. **You** may also be entitled to retain **your Bupa Global** membership; which means that for those benefits which aren't covered until **you** have been a member for a certain period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If **you** change **your specified country of residence** or **your specified country of nationality**, please call the **Bupa Global** customer services helpline so **we** can confirm if **your Bupa Global** membership is affected, and, if so, whether **we** can offer **you** a transfer service.

After your Company membership ends

You, the **principal member** can apply to transfer to a personal **Bupa Global** plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**. Please contact the customer service helpline for more information.

Making changes to cover

The membership terms and conditions can change if:

- the **sponsor** and **Bupa Global** agree, or
- laws or regulators say they must change.

We will send the **principal member** a new membership certificate if:

- they add a new **dependant** to the policy (if applicable)
- **we** need to record any other changes the **sponsor** asks for or that **we** make.

The new certificate will replace the previous one. It will take effect from the issue date (**you** can see this on the new certificate).

If **you** are a contributing individual, please see the section 'Contributing Individuals'.

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

Applicable law

Your membership is governed by Irish law. Any dispute that cannot otherwise be resolved will be dealt with by courts in Ireland.

If any dispute arises as to interpretation of this document then the English language version of this document will be conclusive and taking precedence over any other language version of this document.

This can be obtained at all times by contacting the customer services helpline.

Provision of accurate and complete information

You and any **dependant** must take reasonable care to make sure that all information provided to **us** is accurate and complete, at the time **you** take out this membership, and at each renewal and variation of this membership. **You** and any **dependant** must also tell **us** if any of the answers to the questions in the application form change prior to this membership starting. Otherwise, the following apply with effect from the date the membership was taken out, renewed or varied (depending on when **we** were provided with inaccurate or incomplete information).

A. **We** may treat this membership as if it had not existed if **you** deliberately or recklessly give **us** inaccurate or incomplete information.

B. Where **you** negligently or carelessly give **us** inaccurate or incomplete information, or where A. applies but **we** choose not to rely on **our** rights under A, **we** may treat the membership and any claims in a way which reflects what **we** would have done if **we** had been provided with accurate and complete information, as follows:

- if **we** would have refused to cover **you** at all, **we** may treat this membership as if it had not

existed;

- if **we** would have provided **you** with cover on different terms, then **we** may apply those different terms to this membership. This means a claim will only be paid if it is covered by and/or if **you** have complied with such different terms - for example **your** membership may contain new personal restrictions or exclusions; and/or
- if **we** would have charged **you** a higher premium, **we** may reduce the amount payable on any claim by comparing the higher premium to the original premium. For example, **we** will only pay half of a claim, if **we** would have charged double the premium.

Where it is a **dependant** (or **you** on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the membership which applies to the **dependant**, or to claims made by that **dependant**.

The same rules apply if someone else provides **us** with information on **your** behalf or any **dependant's** behalf.

Liability

Our role under this policy is to provide **you** with insurance cover and sometimes to make arrangements (on **your** behalf) for **you** to receive any covered benefits. It is not **our** role to provide **you** with the actual covered benefits.

You the **principal member**, on behalf of yourself and the **dependants**, appoint **us** to act as intermediary for **you**, to make appointments or arrangements for **you** to receive covered benefits which **you** request. **We** will use reasonable care when acting as **your** intermediary.

We (and **our Bupa group of companies and administrators**) shall not be liable to **you** or anyone else for any loss, damage, illness and/or injury that may occur as a result of **your** receiving any covered benefits, nor for any action or failure to act of any benefits provider or other person providing **you** with any covered benefits. **You** should be able to bring a claim directly against such benefits provider or other person.

Your statutory rights are not affected.

Sanction clause

We will not provide cover and **we** shall not be liable to pay any claim or provide any benefit under this Policy to the extent that such cover, payment of a claim(s) or benefits would:

- cause **us** to breach any United Nations resolutions or the trade or economic sanctions, laws or regulations of any jurisdiction to which **we** are subject (which may include without limitation those of the European Union, **United Kingdom** and/or United States of America).
- expose **us** to the risk of being sanctioned by any relevant authority or competent body; and/or
- expose **us** to the risk of being involved in conduct (either directly or indirectly) which any relevant authority or competent body prohibited.

Where any resolutions, sanctions, laws or regulations referred to in this clause are, or become, applicable to this Policy, **we** reserve all of **our** rights to take all and any such actions as **we** see necessary in **our** absolute discretion, to allow **us** to continue to be compliant. **You** acknowledge that this may restrict or delay **our** obligations under this Policy and **we** may not be able to pay any claim(s) in the event of a sanctions-related concern.

Contributing individuals

This section only applies to contributing individuals.

Your sponsor must pay to **us** premiums and any other payment due for **your** membership, and that of **your dependants** and every other person covered under the **agreement**. **You** contributing to the cost of premiums for **you** and/or any of **your dependants** does not in any way affect the contractual position set out in the section 'About **your** Membership'.

Contributions paid by **you** to the premiums the **sponsor** has paid for **you** (eg by payroll deduction) will be deemed to have been received by **Bupa Global** once they are received by **your sponsor**.

As soon as reasonably practicable **you** will be provided with the terms and conditions that will apply to **your** membership, and the **sponsor** will notify **you** of the contribution **you** will need to make to the cost of premiums from the effective date for the next **membership year**.

If **you** do not want **your** membership (and therefore that of **your dependants**) or the individual membership for any of **your dependants** to renew at the **renewal date you** can notify **your sponsor** at any time in advance of the **renewal date**.

If **you** wish to end **your** membership (and therefore that of **your dependants**) the following terms apply:

- **You** may end **your** membership (and therefore the membership of **your dependants**) by informing the **sponsor** within 30 days of either:
- the date **you** receive **your** terms and conditions (including **your** membership certificate) confirming **your** membership, or
- the effective date of **your** membership

whichever is the later.

During this 30 day period if **you** have not made any claims **we** will refund to the **sponsor** all of the premiums the **sponsor** has paid for **you** for that year.

After this 30 day period **you** can end **your** membership (and therefore the membership of all **your dependants**) by informing the **sponsor** at any time during the year. In which case **we** will refund to the **sponsor** any premiums the **sponsor** has paid for **you** that relate to the period after **your** membership ends.

You may end the membership of any **dependant** by informing the **sponsor** within 30 days of either:

- the date **you** receive **your** terms and conditions (including **your** membership certificate) confirming the membership for that **dependant**, or
- the effective date of membership for that **dependant**

whichever is the later.

During this 30 day period if no claims have been made in respect of that **dependant we** will refund to the **sponsor** all of the premiums the **sponsor** has paid for **you** that relate to that **dependant** for that year. After this 30 day period **you** can cancel a **dependant's** membership by informing the **sponsor** at any time during the year. In which case **we** will refund to the **sponsor** any premiums the **sponsor** has paid for **you** in respect of that **dependant** for the period after their membership ends.

Your membership and that of **your dependants** will automatically end if the **sponsor** does not pay premiums or any other payment due under the **agreement for you** or any other person, however, **we** will continue to pay covered claims for **you** and/or **your dependant** for the period for which **you** can provide evidence (e.g. on payslips) that **you** paid contributions to premiums to the **sponsor**.

Where **we** have refunded to the **sponsor** premiums paid for **you** or **your dependants**, **you** should contact the **sponsor** in order to obtain a refund of the contributions **you** made to those refunded premiums.

Changes to your membership

If any changes to the terms and conditions of **your** membership, including **your** benefits, are agreed between the **sponsor** and **us**, **you** will be informed before the change takes effect. If **you** do not accept any of the changes **you** can end **your** membership by informing the **sponsor** either:

- within 30 days of the date on which the change takes effect, or
- within 30 days of **you** being told about the change

whichever is later.

Demands and needs statement

The cover provided under membership of **your** group plan is generally suitable for someone who is looking to cover the cost of a range of health expenses. **We** have not provided **you** with any advice about **your** cover and how it meets **your** individual needs. Please read **your** membership certificate and this membership guide to make sure that the cover meets **your** needs.

Making a claim

We want it to be simple for **you** to make a claim. **We** try to pay providers directly but sometimes this isn't possible.

Claim forms

Before **we** can pay a claim, **we** need to make sure that it is a valid claim. The claim form gives **us** the information that **we** need to check that **your** claim is valid. Please make sure that **you** complete the form. If not, **we** may have to ask for more information. This can take time and delay any payment. An incomplete claim form is the most common reason for delayed payments.

You can:

- complete a claim form in MembersWorld, or
- contact **us** and **we** will send **you** one.

You must make a separate claim for each:

- member
- condition
- in-patient or day-patient stay, and
- currency of claim.

If **you** need **treatment** for more than six months, **we** can ask **you** to complete a new claim form.

What we need for your claim

We need to receive the completed form, with any invoices, receipts and prescriptions related to the claim. This must be within two years of receiving the **treatment**. **We** do not pay claims that **we** receive more than two years after **treatment** unless there is a good reason why **you** couldn't make the claim earlier.

More information

We may ask for more information about **your** claim. For example:

- medical reports or other information about **your treatment**
- the results of any medical examination by a **medical practitioner** who **we** appointed and that **we** paid for.

If **you** don't give **us** the information **we** ask for, **we** may not be able to pay **your** claim.

Important

We only pay for **treatment**:

- **you** have while **you** are on the policy
- up to the benefit levels that apply at the time **you** have it
- costs that are **reasonable and customary**.

We can't return original documents to **you** - for example invoices. However, when **you** make a claim, **you** can send **us** copies. If **you** do send an original document, **we** can send **you** a copy if **you** ask **us**.

Confirming a claim

If **you** are aged 18 or over, **we'll** explain to **you** how **we** have dealt with **your** claim. For **dependants** aged 17 and under, **we** will write to the **principal member**.

How we pay your claim

Where possible, **we** follow the instructions in the 'Payment details' section of the claim form.

Who we will pay

We only make payments to the:

- member who received the **treatment**
- provider of the **treatment**
- **principal member**
- executor or administrator of the member's estate.

We pay a **dependant** only if:

- they received the **treatment**
- they are aged 18 or over, and
- **we** have their bank details.

We do not make payments to anyone else.

Payment method

We can:

- transfer payment to **your** bank account. This is quick and secure. However, **we** can send a payment only if **we** know details of where to send the payment, for example the full account number, SWIFT code, bank address and (in Europe only) IBAN number.
- pay by cheque. **You** should cash a cheque within six months. If **you** have an out-of-date cheque, please contact **us** and **we** will replace it.

If **your** bank charges **you** for a transfer **we** make, **we** will try to refund this as well. **We** do not pay any other bank charges, for example currency exchange fees.

Payment currency and conversions

We will reimburse **you** in the currency:

- in which **we** receive the premium
- of the invoices **you** send **us**, or
- of **your** bank account.

Sometimes banking rules may not let **us** pay in the currency **you** would like. So, **we** will pay in the currency **we** receive the premium in.

Very rarely, paying in a certain currency may be illegal or expose **us** (or the **Bupa Group**) to United Nations sanctions. If so:

- **we** may not be able to pay **you** immediately, or
- will pay **you** in a currency which **we** are allowed to and able to.

How we convert one currency to another

The exchange rate **we** use will be Reuters closing spot rate set at 16.00 **UK** time on the **UK** working day before the invoice date. If there is no invoice date, **we** will use **your treatment** date.

Other claim information

Incorrect payment of claims

If **we** incorrectly pay **your** claim, **we** can:

- deduct the incorrectly paid amount from future claims, or
- seek repayment from **you**.

Discretionary payments

If **we** may make a payment for a benefit **your** policy doesn't cover, **we** don't have to pay identical or similar costs in the future. The payment will count towards the overall annual maximum that applies to this policy.

Claiming for treatment when others are responsible

You may need to claim for **treatment** that **you** need because someone else is at fault. An example would be if **you** were a victim in a car crash. **You** will need to complete the relevant section of the claim form. **You** will also need to take any reasonable steps **we** ask of **you** to help **us**:

- recover from the person at fault the cost of the **treatment we** paid for. This could be through their insurance company.
- claim interest if **you** are entitled to do so.

We may make a claim in **your** name. **You** must give **us** any help **we** reasonably need to make that claim. For example:

- giving **us** any documents or witness statements
- signing court documents, and
- having a medical examination.

You must not:

- take any action
- settle any claim or

- do anything which has a negative effect on **our** right to claim in **your** name.

Claiming with joint or double insurance

If **you** have other insurance for costs **you** have claimed from **us**, **you** must:

- tell **us** about this when **you** make a claim from **us**
- complete the appropriate section of the claim form.

We will only pay **our** share of the costs.

What do we do to detect and prevent fraud?

We can check **your** details with:

- fraud prevention agencies
- other insurers, and
- other relevant third parties.

If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use these records to:

- help make decisions about cover for **you** and members of **your** plan
- help make decisions on other insurance proposals and claims for **you** and members of **your** plan/group
- trace debtors, recover debt, prevent fraud and to manage **your** insurance plans
- establish **your** identity
- undertake credit searches and other fraud searches.

Fraudulent claims

If a claim on the policy is fraudulent in any way, **we** can:

- refuse to pay it and any later claim
- recover any payments **we** have already made for it and for any later claim.

What if the policyholder makes a fraudulent claim?

We can cancel the policy. This will be from the date of that claim.

What if a dependant makes a fraudulent claim?

We can cancel their cover. This will be from the date of that claim.

In either case **we** don't have to refund any premium already paid to **us**.

What is an example of a fraudulent claim?

- making a false or exaggerated claim
- giving **us** false information. For example forged, falsified or manipulated documents
- not giving **us** information which **we** need to assess a claim
- refusing to give **us** information which **we** have reasonably asked for to assess a claim. For example, medical history reports, proof of payment and original invoices.

Adding Dependants

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your dependants** under **your** membership. To apply **you**, the **principal member** will need to complete a Company Application form which can be downloaded easily from membersworld.bupaglobal.com. Or **you** can contact **us** and **we** will send one to **you**.

The medical history for all additional **dependants**, **you** apply to include on **your** membership including any newborn children, will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions, which are personal to them and which will be shown on **your** membership certificate or **we** may decline to offer cover. For newborn children any exclusions or restrictions will be applied from their 91st day of birth if they are covered for newborn care, or **we** may decline to offer cover after 90 days of birth.

This does not apply if **your sponsor** has purchased cover with medical history disregarded. Please contact the customer services helpline if **you** are not sure if this applies to **you**.

Adding your Newborn

Newborn children are covered for newborn care and can be included on **your** membership from their date of birth when **you** have completed a newborn application form and **we** have received it before **your** child is 30 days old.

If **your** application form is not received within 30 days of birth, the newborn care benefit will be covered from the date of receipt up until the 90th day.

If **we** have applied any underwriting restrictions, these will be applied from their 91st day of birth, or **we** may decline to offer cover.

Where full U.S. cover has not been purchased prior to the mother falling pregnant, new born care/**treatment** will not be covered by the 28 day **emergency** U.S. cover or other, unless the baby is prematurely born in unexpected circumstances.

Please read 'Newborn care' benefits in **your** 'Table of benefits'.

Adding U.S. cover to your plan

You the **principal member** can apply to include coverage in the U.S. at any time following **your** original date of joining. To apply **you** will need to complete a Company application form which can be downloaded easily from MembersWorld at membersworld.bupaglobal.com. **Your** application will be reviewed by **our** medical underwriters and may result in exclusions or restrictions specific to coverage in the U.S.

When cover starts for others on your membership

If any other person is included as a **dependant** under **your**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you** for **your** current continuous period of Company membership which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a

member of the plan.

If **your**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.
