Are there any restrictions on cover? (continued)

- ! Limitations for each person every policy year unless stated otherwise:

 - first six months: preventive, routine, or major restorative dental treatment
- ! There are different types of limits to your cover. These are:
 - each membership year - prescribed medicines and dressings, durable medical equipment, health screening, vaccinations, dental treatment, hearing aids and optical treatment
 - each device - prosthetics
 - during your lifetime - hospice and palliative care
 - each condition - organ transplant services
 - one course of treatment for each condition during your lifetime - Advanced therapy medicinal products (ATMPs)
- ! Pre-existing conditions - we may agree to cover these for a higher premium. We'll discuss this with you before you buy
- ! When adding a newborn baby, we may agree to cover pre-existing conditions, or add special restrictions or exclusions, or may decline to offer cover, if neither parent has been a Bupa Global member for at least 18 months before the baby's birth; or if the baby was born in the U.S or the child is born as a result of Assisted Reproduction Technologies, ovulation induction treatment, adopted, or born to a surrogate
- ! The policy covers only medically necessary treatment and wellbeing care listed in the membership guide

- ! If you choose to have treatment or services with a healthcare provider outside our Bupa Global network, we will only cover costs which we consider the 'reasonable and customary' amount for that treatment or services. This means that if you choose an 'out of network' provider, you are responsible for paying any costs above reasonable and customary levels. You can find more information in the membership guide
