PRE-AUTHORISATION

The importance of pre-authorisation

We want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

Why you should pre-authorise treatment

So that **you** can tell **us** about **treatment** that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details.

We can then:

- check if **we** cover **your treatment**
- check if the provider is part of **our network**
- help **you** find a provider within **our network**
- explain any limits that apply
- tell the provider that **you** are a **Bupa Global** member. **We** have agreements with **our network** providers for **treatment** charges
- case-manage complex **treatment**. The table of benefits clearly shows the complex **treatments we** want **you** to tell **us** about. Please contact **us** if **you** need any of these. **We** may ask for more information (for example to check if any policy exclusion applies)
- see if **we** can pay any bills directly to the provider. This will mean **you** don't have to pay and claim the costs from **us**.

If **you** have **treatment** with a provider that is not in **our network**, **we** may only pay costs that are **reasonable and customary**. This could leave **you** with a shortfall to pay.

Before **we** can approve **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

We may appoint an independent medical professional and ask **you** to have a medical examination with them (at **our** cost). They will then give **us** a medical report.

When **you** have pre-authorised **treatment** with a provider that is in **our** network, **we** will cover the costs if, when **you** have it:

- the policy is in force
 - **you** are covered by the policy
 - premiums are paid up to date
 - the pre-authorisation is still valid.
- When **we** authorise **treatment, we** will tell **you** how long it is valid for.

How to pre-authorise treatment

Login to the MembersWorld app, go to <https://membersworld.bupaglobal.com> or contact **us** by phone or email. When **we** have the details, **we** will send **you** and the provider a pre-authorisation statement.

If your pre-authorisation is no longer valid

Just follow the process again.

If you need to go to hospital in an emergency

In an emergency there might not be time to contact **us**. If this happens, it is important that the hospital contacts **us** within 48 hours.

THE CLAIMING PROCESS

If **you** need help with a claim **you** can

- use MembersWorld
- call **us** on +44 (0) 1273 323 563
- email info@bupaglobal.com

Whether **you** choose direct settlement or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**. In general, **we** can only arrange direct settlement for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if you pre-authorise **your treatment** first, or if **you** use a hospital or healthcare facility in **our network**.

How to make a claim

The quickest way to make a claim is by using **your** MembersWorld account. **You** have the choice of making an on-line claim or uploading any completed claim form.

Make sure **we've** got all the information **we** ask for. The biggest delays to paying a claim are incomplete, missing or unreadable information.

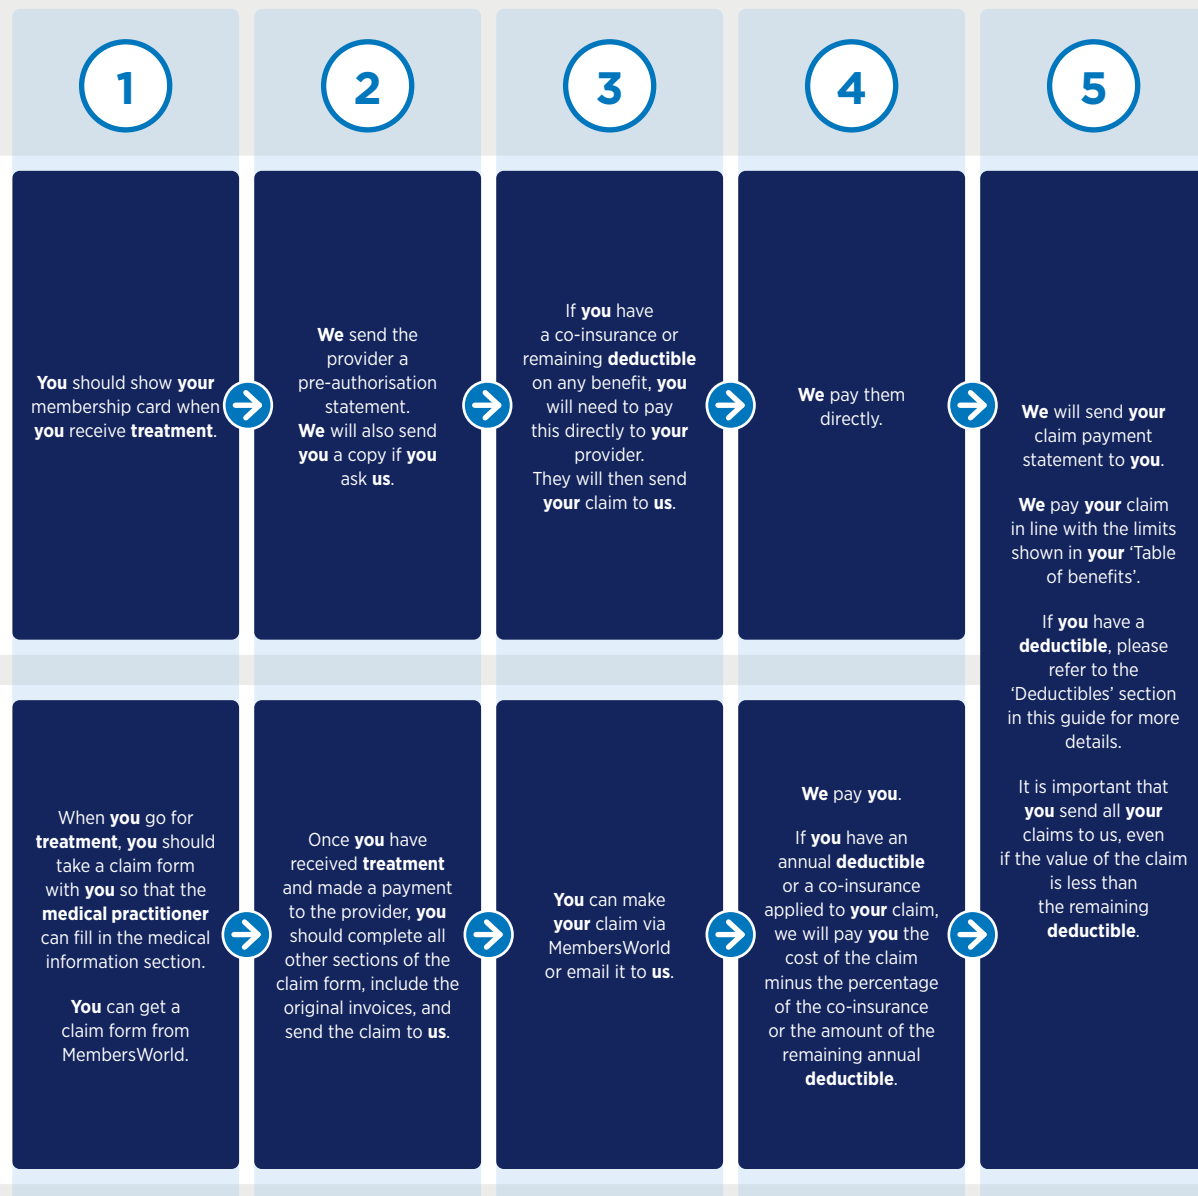

Make sure **you** give **us your** correct bank details. Bank transfer is by far the quickest way to receive **your** payment.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**. This means that **you** do not have to pay and then claim the costs back from **us**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

About your membership

This is a group insurance plan. This means that **you** are one of a group of members which has a **sponsor** (the company that the **main member** works for).

This plan is governed by an **agreement** between the **sponsor** and **Bupa Global**. It covers the terms and conditions of **your** membership.

There is no legal contract between **you** and **Bupa Global**. Only the **sponsor** and **Bupa Global** have legal rights under the **agreement** relating to **your** cover. Only they can enforce the **agreement**.

However, if **you** are a contributing individual, **you** will have legal rights as set out in this Membership Guide. Please see the section 'Contributing individuals'.

There are three documents that set out the terms of **your** membership:

- **your** application for cover. This includes quote requests, forms for anyone covered, and anything declared when **you** applied for cover
- **your** rules and cover shown in this guide
- **your** insurance certificate. This shows the name of the insurer.

Pre-authorisation

When **you** need **treatment we** want to make sure that everything runs as smoothly as possible. If **you** contact **us** before having **treatment, we** can explain **your** benefits and confirm if the **treatment** is covered by **your** plan. **We** can also offer any help or advice **you** may need, such as suggesting **hospitals, clinics and doctors**.

If **you** need **hospital treatment (in-patient treatment or day-case treatment)**, contacting **us** also means that **we** can get in touch with the **hospital** or clinic and make sure they have everything they need to go ahead with **your treatment**. If possible, **we** will arrange to pay them directly too.

There are certain benefits which **you** must receive pre-authorisation for. **You** can see these in the 'Table of benefits'. **We** may not pay for **your treatment** if **you** haven't pre-authorised it first.

Direct settlement is where **we** pay the provider of **your treatment** directly. This makes things easier for **you** as **you** do not have to pay and then claim the costs back from **us**. **We** try to do this whenever possible, and the provider of the **treatment** has to agree to it. Direct settlement is usually only available for in-patient or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a **hospital** or clinic that is in **our network**.

If direct settlement is not possible, **you** will need to pay for **your treatment** and claim the costs back from **us**.

There are some benefits which **you** must pre-authorise. These are detailed in **your** 'Table of benefits'. **We** may not pay a claim if **we** have not pre-authorised it.

How to pre-authorise

You can pre-authorise **your treatment** on the MembersWorld app, by email, or by phone. When **we** have the details **we** need, **we** send a pre-authorisation statement to **your hospital** or clinic. **We** will send **you** a pre-authorisation statement if **you** ask **us** to.

When **you** contact **us**, please have **your** membership number ready. **We** will ask **you** questions. These could include:

- do **you** know the condition **you** have?
- when did **your** symptoms first start?
- when did **you** first see **your family doctor** about them?
- what **treatment** do **you** need?
- when will **you** have the **treatment**?
- what is the name of **your specialist**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** pre-authorise **your treatment, we** will pay up to the limits of **your** plan if:

- the plan covers the **treatment. We** may ask **you** for more details. This could be, for example, to rule out any link to a **pre-existing condition**
- **you** are covered when the **treatment** takes place
- the premiums are paid up-to-date
- the **treatment you** have matches the **treatment we** authorised
- **you** have given **us** all the details of the condition and **treatment you** need
- **you** have enough benefit to cover the cost of the **treatment**
- the **treatment** is not for a **pre-existing condition** (see the 'What is not covered' section)
- the **treatment** is **medically necessary**.

If **we** do not receive the information **we** need, this may delay pre-authorisation and claims payment. **We** may ask an independent **medical practitioner** to examine **you** and give **us** a report. **We** will pay for this.

Staying in hospital

The pre-authorisation will include the number of nights in **hospital** that **we** will cover for **your in-patient treatment**. If **you** need to stay longer, **you** or **your** doctor must contact **us** to extend the pre-authorisation.

Important

Pre-authorisation is only valid if all the details of the **treatment we** authorise match the **treatment you** have. This includes when and where **you** have the **treatment**. If any detail changes, or **you** need more **treatment, we** need to pre-authorise the change. This means that **you** or **your** doctor must tell **us** the details. **We** can only approve **your treatment** based on the information **we** receive.

We may change **our** decision if the information **we** receive differs from what **we** were told when **we** first assessed **your treatment**. If **we** do not receive details that **we** have asked for, **we** may treat this as a sign of fraud. If this happens, **we** may pass information to third parties, which may include

other insurers. The aim of this is to prevent and detect fraud.

Using our network

If **you** choose to have **treatment** from a person or place (for instance a doctor or clinic) that is in **our network**, **we** will pay the costs (after taking into account any benefit limits, co-insurance or a **deductible** that may apply to the plan).

We can help **you** find a person or place that is in **our network**. **You** can also find **our network** at bupaglobal.com/en/facilities/finder

If **you** choose to have **treatment** from someone or in a place that is not part of **our network**, **we** will only cover costs that are **reasonable and customary**. This applies whether **we** pay them directly, or **you** pay the costs and claim this back from **us**. To calculate this **we** look at:

- costs that are the usual, or accepted standard amount payable for the **treatment you** have
- the quality and experience of the person or place that treated **you**
- the region where **you** have the **treatment**.

We may look at the usual and most common charges that **we** pay in that region. Some governments, medical bodies or insurance industry groups publish guidelines for fees and medical practice. These can include standard **treatment** plans which outline the best course of care for a given illness or **treatment**.

We may refer to these global guidelines when **we** assess and pay claims.

We will not pay costs from a provider that is not part of **our network** and which are higher than what is **reasonable and customary**. This means that:

- **you** will have to pay any costs which are higher than what is **reasonable and customary**. **You** will need to pay the provider directly
- **we** cannot control what the provider will charge **you**.

There may be times when it is not possible for **you** to be treated by a provider in **our network**, for instance in an **emergency**. When this happens, **we** ask that **you** or the provider, contact **us** within 48 hours (or as soon as possible afterwards). **We** may arrange for **you** to move and have **treatment** from a provider that is in **our network**. **We** will only do this if it is safe for **you**. If **you** decide not to move, **we** will pay **reasonable and customary** costs for **your treatment**.

In some countries there may be other processes that apply if **you** have **treatment** from a provider that is not part of **our network**.

Treatment in the U.S.

All **in-patient treatment** and **day-case treatment**, cancer **treatment**, MRI, CT and PET scans in the U.S. must be pre-authorized. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact the U.S. service centre for pre-authorization. All the information they need is on **your Blue Cross Blue Shield Global** membership card.

We have made special arrangements if **you** need to have **treatment**, be admitted to **hospital**, or visit a doctor in the U.S. This includes access to one of the largest **networks** of medical providers and facilities, and direct settlement of all covered expenses when **you** receive **treatment** at a **hospital** in **our network**. To find providers or **hospitals** in **our network**, **you** can contact the U.S. service centre or visit the website shown on **your Blue Cross Blue Shield Global** membership card. **You** will need to show **your Blue Cross Blue Shield Global** membership card to providers and **hospitals** when **you** have **treatment**.

Treatment that has not been pre-authorized

If **you** choose not to get **your in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. pre-authorized, **we** will pay 50% towards the cost of covered **treatment**.

We know that there are times when **you** can't pre-authorise **your treatment**, for example in an **emergency**. If **you** go to **hospital** in an **emergency**, it is important that the **hospital** contacts **us** within 48 hours. If this isn't possible, they should contact **us** as soon as they can. **We** can then make sure **you** are getting the right care and are in the right place. If **you** are in a **hospital** that is not part of **our network**, **we** may arrange for **you** to move and have **your treatment** in a **hospital** that is in **our network**. **We** would only do this when **you** are stable and if it is the best thing for **you**. If **you** decide to stay where **you** are, **we** will pay the **reasonable and customary** costs of any covered **treatment** or services that **you** have after the proposed date of the transfer.

If **we** have been notified within 48 hours of **your emergency** admission to a **hospital** that is in **our network**, **we** will not ask **you** to share the cost of **your treatment**.

Treatment outside our network

Even if **your treatment** in the U.S. has been pre-authorized, if **you** choose to use a **hospital**, clinic or **medical practitioner** that is not part of **our network**, **we** will pay **reasonable and customary** costs. Please see 'Using **our network**' in the Pre-authorization section of this membership guide.

There may be times when **you** cannot be treated at a **hospital** in **our network**. These include:

- where there is no **hospital** in **our network** within 30 miles of **your** address, and
- when the **treatment you** need is not available in at a **hospital** in **our network**.

When this happens, **we** will not ask **you** to share the cost of **your treatment**.

Deductibles

Please read this section if **you** have a **deductible** on **your** plan.

What is a deductible?

The **deductible** is the total value that **your** covered claims must reach each **membership year** before **we** will start to pay any benefit. For example, if **you** have a **deductible** of USD 500, the total value of **your** covered claims must reach USD 500 before **we** will pay any benefit.

The **deductible** applies to each person covered.

The amount of the **deductible** is shown on **your** insurance certificate. **You** can see this in MembersWorld. If **you** want to know the amount of **your** remaining **deductible**, please contact **us**.

Annual **deductibles** are only available on the following levels of cover:

- Essential
- Classic
- Gold

The following levels of cover do not qualify for annual **deductibles**:

- Classic with dental
- Gold with dental
- Gold Superior
- Gold Superior with optical and dental

How an annual deductible works

If a claim is smaller than any remaining **deductible**, **you** should still make a claim. **We** will not pay the claim, but it will count towards reaching **your deductible**. **We** will send **you** a statement to tell **you** how much is left.

If a covered claim is more than **your** remaining **deductible**, **we** will pay the amount of the claim minus the remaining **deductible**.

When **you** have paid the full **deductible**, **we** will pay all covered claims up to the limits of the plan.

How claims are paid to you

If **you** make a claim and have asked **us** to pay **you**:

- **we** will take the **deductible** from any payment **we** make
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **deductible**.

How we pay claims to a medical provider

If **you** have asked **us** to pay a medical provider directly:

- **we** will send payment to them for the covered claim. **We** will subtract any remaining **deductible** on **your** cover from this payment
- **we** will confirm the amount **we** have paid towards **your** claim
- **you** must pay any shortfall to them.

You must pay the **deductible** in all circumstances.

Important

- the **deductible** applies separately to each person covered
- even if **your treatment** cost is less than the **deductible**, **you** should still make a claim
- this **deductible** applies each **membership year**. If **your** first claim is towards the end of a **membership year** and continues after **your renewal date**, **you** must pay the **deductible** again for that **treatment**. This is because it will be a new **membership year**
- if **your** claims are paid directly to the person who treated **you**, **you** must pay them any shortfall after **we** have assessed and paid the claim.

Making a claim

We want it to be simple for **you** to make a claim.

We try to pay providers directly but sometimes this isn't possible.

Claim forms

The claim form gives **us** the information **we** need to check that the plan covers **your** claim. Please make sure that **you** complete the form. If **we** have to ask for more information, this can take time and delay any payment.

You can:

- complete a claim form on the MembersWorld app or website, or
- contact **us** and **we** will send **you** one.

You must make a separate claim for each:

- member
- condition
- in-patient or day-case stay, and
- currency of claim.

What we need for your claim

As well as **your** completed claim form, **we** need original versions of any invoices, receipts and prescriptions for the claim. **You** can send **us** copies.

We can't send these original documents back to **you**. If **you** do send an original document, **we** can send **you** a copy if **you** ask **us**.

You must make a claim within two years of having the **treatment**. **We** only pay claims for **treatment** after two years if there is a good reason why **you** couldn't make the claim earlier.

We may ask for more information about **your** claim. For example:

- medical reports or other information about **your treatment** or condition
- the results of any medical examination by a **medical practitioner** who **we** appoint and pay for.

If **we** don't have the information **we** ask for, **we** may not be able to pay **your** claim.

Important

We pay for **treatment**:

- **you** have while **you** are on the plan
- up to the benefit limits that apply at the time **you** have it
- costs that are **reasonable and customary**.

Paying your claim

Where possible, **we** follow the instructions in the 'Payment details' section of the claim form.

Who we will pay

We can make payments to the:

- member who received the **treatment**
- provider of the **treatment**
- **main member**
- executor or administrator of the member's estate.

We can pay a **dependant** if:

- they received the **treatment**
- they are aged 16 or over, and
- **we** have their bank details.

We do not make payments to anyone else.

If **you** are aged 16 or over, **we'll** explain to **you** how **we** have dealt with **your** claim. For **dependants** aged 15 and under, **we** will contact the **main member**.

Payment method

We can transfer payment to **your** bank account. This is quick and secure. However, **we** can send a payment only if **we** know details of where to send the payment, for example the full account number, SWIFT code, bank address and (in Europe only) IBAN number.

If **your** bank charges **you** for a transfer **we** make, **we** will try to refund this as well. **We** do not pay any other bank charges, for example currency exchange fees.

We can also pay by cheque. **You** should cash a cheque within six months. If **you** have an out-of-date cheque, please contact **us** and **we** will replace it.

Payment currency

We will reimburse **you** in the currency:

- in which **we** receive the premium, or
- of the invoices **you** send **us**, or
- of **your** bank account.

Sometimes banking rules may not let **us** pay in the currency **you** would like. So, **we** will pay in the currency in which **we** receive the premium.

Very rarely, paying in a certain currency may be illegal or expose **us** (or the **Bupa Group**) to sanctions. If so, **we** may not be able to pay **you** straight away. Or **we** will pay **you** in a currency which **we** are able and allowed to use.

How we convert one currency to another

We use the rate that is in place in the **UK** on the invoice date. If there is no invoice date, **we** will use **your treatment** date. The exchange rate **we** use will be from a leading market provider of rates. Please call **us** if **you** would like more details.

Other claim information

Payment of claims in error

This is if **we** pay too much for a claim, or pay a claim that is not covered. **We** can deduct from future claims the extra amount **we** have paid, or ask **you** to pay **us** back.

Discretionary payments

If **we** make a payment for a benefit **your** plan doesn't cover, **we** don't have to pay the same or similar costs in the future. The payment will count towards the overall annual maximum that applies to **your** cover.

Claiming for treatment when others are at fault

You may need to claim for **treatment** that **you** need because something has happened that is someone else's fault, for example a road traffic accident. **You** will need to complete the relevant section of the claim form and take any reasonable steps **we** ask of **you**. This could be to help **us**:

- recover from the person at fault the cost of the **treatment we** paid for. This could be through their insurance company
- claim interest if **you** are entitled to do so.

We may make a claim in **your** name. **You** must give **us** any help **we** reasonably need to do this, or example:

- giving **us** any documents or witness statements
- signing court documents, and
- having a medical examination.

You must not:

- take any action
- settle any claim or
- do anything which has a negative effect on **our** right to claim in **your** name.

Claiming with joint or double insurance

If **you** have other insurance for costs **you** have claimed from **us**, **you** must:

- tell **us** about this when **you** make a claim from **us**
- complete the appropriate section of the claim form.

We will only pay **our** share of the costs.

Detecting and preventing fraud

We check **your** details with:

- fraud prevention agencies
- other insurers, and
- other relevant third parties.

If **you** give **us** false or inaccurate information, **we** may suspect fraud and **we** may record this with a fraud prevention agency. **We** and other organisations may also use these records to:

- help make decisions about cover for **you** and members of **your** plan
- help make decisions on other insurance proposals and claims for **you** and members of **your** plan or group
- trace debtors, recover debt, prevent fraud and manage **your** insurance plans
- find or confirm **your** identity
- run credit searches and other fraud searches.

Fraudulent claims

If a claim on the plan is fraudulent in any way, **we** can:

- refuse to pay it and any later claim
- recover any payments **we** have already made for it and for any later claim.

If the **main member** makes a fraudulent claim, **we** can cancel the plan from the date of that claim.

If a **dependant** makes a fraudulent claim, **we** can cancel their cover from the date of that claim.

In either case **we** don't have to refund any premium already paid to **us**.

Examples of fraudulent claims include:

- making a false or exaggerated claim
- giving **us** false information, for example forged, falsified or manipulated documents
- not giving **us** information which **we** need to assess a claim
- refusing to give **us** information which **we** have reasonably asked for to assess a claim. For example, medical history reports, proof of payment and original invoices.

The lifecycle of your plan

This section sets out the rules about **your** cover including when it will start, renew and end, and how **you** can change it.

Paying premiums and other charges

Your sponsor has to pay the premiums that are due as well as any other charges (such as taxes) that may be payable. **You** have to pay any **deductible** amount that applies to **your** plan.

If **you** are a contributing individual, please see the section 'Contributing individuals'.

Starting and renewing your cover

Your cover starts on the 'effective date'. This is shown on the first insurance certificate that **we** sent the **main member**, as long as there has been no break in cover since.

The **sponsor** will decide on the renewal of **your** cover as part of **our agreement**.

If **you** are a contributing individual, please see the section 'Contributing individuals'.

Making changes to your cover

The terms and conditions of **your** cover can change if:

- the **sponsor** and **Bupa Global** agree, or
- laws or regulators say they must change.

We will send the **main member** a new insurance certificate if:

- they add a new **dependant** to the plan
- **we** need to record any other changes the **sponsor** asks for or that **we** make.

The new insurance certificate will replace the previous one. It will take effect from the issue date (**you** can see this on the new certificate).

Only **we** can make or confirm a change to **your** membership or cover. This will only be valid if **we** confirm it in writing. Only **we** can decide not to enforce any of **our** rights.

We will contact **you** using the details **we** hold for **you**. If **your** phone number, email or contact address changes, please tell **us** as soon as possible.

Making changes to your cover if you are a contributing individual

We will tell **you** about changes to any terms of **your** cover agreed by the **sponsor** before the change takes effect. If **you** do not accept any of the changes **you** can end **your** cover. To do this **you** must tell the **sponsor** either:

- within 30 days of the date on which the change takes effect, or
- within 30 days of **you** being told about the change

whichever is later.

If you move to a new country or change your country of nationality

The **main member** must tell the **sponsor** straight away if **your country of residence** or **country of nationality** changes. **We** may need to end **your** cover if the change results in a breach of rules which govern the provision of health cover to local nationals, residents or citizens.

Rules vary from country to country and may change at any time.

In some countries **we** have local partners who are licensed to provide cover which is administered by **Bupa Global**. This means that members get the same quality **Bupa Global** service.

If **you** change **your country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's plan without any more medical underwriting. **You** may also be able to continue **your** cover; which means that for those benefits which have a waiting period, the time **you** were a member with **us** will count towards that. If **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with them.

Adding people to the plan

If the **sponsor** agrees, the **main member** may apply to cover any of their **dependants**. The **main member** will need to complete an application form. **You** can find this in MembersWorld or **you** can contact **us** and **we** will send one to **you**.

We will review the medical history for the person **you** wish to add. This may result in special restrictions or exclusions which are personal to them. These will be shown on **your** insurance certificate. **We** may decline to offer cover.

This does not apply if **your sponsor** has chosen cover with medical history disregarded. Please contact **us** if **you** are not sure if this applies to **you**.

Adding your newborn baby

If we receive a newborn application form within 30 days of birth

We cover newborn care and they can be included on **your** cover from their date of birth.

If we do not receive the form within 30 days of birth

The newborn care benefit will be covered from the date **we** receive the form until the 90th day after the birth.

Any underwriting exclusions or restrictions will apply from the 91st day after the birth. **We** may decide not to offer cover.

If **you** do not have full U.S. cover before **you** fell pregnant, **we** will not cover newborn care / **treatment** under the 28 day **emergency** U.S. cover or other benefit. **We** would only cover newborn care / **treatment** if the baby is prematurely born in unexpected circumstances.

Please read 'Newborn care' benefits in **your** 'Table of benefits'.

When cover starts for others

A **dependant's** cover will start on their 'effective date'. This is shown on the first insurance certificate **we** sent for the current continuous period of cover which includes them. They can be covered for as long as the **main member** is covered on the plan.

If cover for the **main member** ends, their **dependants** can apply for cover in their own right.

Adding U.S. cover

The **sponsor** can apply to include cover in the U.S. for **you** at any time after **you** join. **We** will review the application, and this may result in exclusions or restrictions specific to cover in the U.S.

Ending your cover

After your cover ends

The **main member** can apply to transfer to a personal plan if their cover under the group plan ends. They can also apply for any **dependants** to transfer with them. Please contact **us** for more details.

The **sponsor** can end **your** cover by contacting **us**. **We** cannot backdate the cancellation of **your** cover.

Your cover will automatically end:

- if the **agreement** between **Bupa Global** and the **sponsor** ends
- if the **sponsor** does not renew **your** cover
- if the **sponsor** does not pay premiums or any other payment due under the **agreement** for **you** or for anyone else
- if the **main member's** cover ends
- if the **main member** dies.

Ending your cover if you are a contributing individual

A **main member** who pays the **sponsor** towards their cover can end that cover within 30 days of either:

- the date they receive documents which confirm their cover (these include the insurance certificate), or
- the effective date of their cover,

whichever is later.

This will also end the cover for their **dependants** on the plan. The **main member** must tell the **sponsor** they wish to end their cover.

If they have not made any claims during this 30-day period, **we** will refund to the **sponsor** all of the premiums the **sponsor** has paid for them for that year.

After this 30-day period they can end their cover by telling the **sponsor**. They can do this at any time.

We will then refund to the **sponsor** any premiums the **sponsor** has paid for them for the period after their cover ends.

If the cover is for a **dependant**, they can tell the **sponsor** they wish to end the cover within 30 days of either:

- the date they receive documents which confirm the **dependant's** cover (including the insurance certificate), or
- the effective date of cover for that **dependant**,

whichever is later.

If the **dependant** has not made any claims during this 30-day period, **we** will refund to the **sponsor** all of the premiums the **sponsor** has paid for them for that year.

After this 30-day period the **main member** can end a **dependant's** cover by telling the **sponsor**. They can do this at any time. **We** will refund to the **sponsor** any premiums the **sponsor** has paid for them that relate to the period after their cover ends.

Cover for **you** and **your dependants** will automatically end if the **sponsor** does not pay premiums or any other payment due under the **agreement** for **you** or any other person. **We** will still assess claims for any period for which **you** can confirm (for example on payslips) that **you** paid **your** premiums to the **sponsor**.

If **we** refund to the **sponsor** premiums paid for **you** or **your dependants**, **you** should contact the **sponsor** to get a refund of the premiums that **you** paid to them.

Explaining your benefits

The 'Table of benefits' explains what is covered on **your** health plan and any limits.

What is covered

Treatment covered by this health plan must be:

- consistent with accepted standards of medical practice in the country in which **you** have it,
- clinically appropriate in terms of the type of **treatment**, how long it lasts, where **you** have it and how often **you** have it.

We do not pay for **treatment** which, in **our** reasonable view, is not appropriate. **We** base **our** view on established practice. **We** may conduct a review of **your treatment** when it is reasonable for **us** to do so.

Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Preventive and wellness **treatment**' in the 'What is not covered' section for information on preventive **treatment**.

Table of benefits

This table shows the benefits, limits and the detailed rules that apply to **your** health plan. **You** should also read the 'What is not covered' section to see what the plan does not cover.

Changes to your benefits

Your sponsor may have agreed changes to the 'Table of benefits' with **us**. If so, **your sponsor** will let **you** know what these changes are.

How to read the 'Table of benefits'

There are four levels of cover: Essential, Classic, Gold and Gold Superior.

You need to read the column in the 'Table of benefits' that applies to **your** level of cover, as shown on **your** insurance certificate. **You** can find this in MembersWorld.

Benefit limits

The 'Table of benefits' has different types of limits: 1. the overall annual maximum.

This is the amount up to which **we** will pay for all benefits in total for each member, every **membership year**.

Gold Superior cover only: there is no 'overall annual maximum'. Instead, there is an annual limit for each condition **you** claim for.

2. some benefits (or groups of benefits) also have a limit. These limits can be the amount up to which **we** will pay, or how many times **we** will pay for something. There are two types:

- **membership year** limits. When a limit has been reached, **we** will no longer pay for that benefit until the next **membership year**. This will be after the plan renews
- lifetime limits. A lifetime limit applies to all Bupa plans **you** have been a member of in the past, or may be a member of in the future. The limit applies even if **you** have a break in cover. When a lifetime limit is reached, **we** will not pay for that benefit again.

All limits apply to each member.

Waiting periods

The plan doesn't cover **treatment you** have during a waiting period. **We** clearly show which benefits these apply to. **We** may have agreed to waive waiting periods on **your** health plan. **You** can call **us** to find out if this applies to **you**.

Currencies

The currency in which **we** receive premiums is the one that applies to **your** cover for the purpose of the benefit limits.

Your insurance certificate will show:

- which level of cover **you** have
- the currency that applies to **your** cover
- if **you** have a **deductible** or co-insurance.

You can see this in MembersWorld. If **you** are not sure, please contact **us**.

Assistance cover (Evacuation and Repatriation)					<p>Your insurance certificate will show if you have purchased this cover. Please see 'Assistance cover' section.</p> <p>The overall annual maximum benefit limit does not apply.</p>

Assistance cover (optional if chosen)

This section contains the rules and information for medical transfers, which help **you** if the **treatment you** need is not available locally.

We can arrange a transfer if the **treatment you** need is:

- recommended by **your specialist** or doctor
- covered under **your** plan. It must be in-patient or **day-case treatment**.

There are two levels of cover: Evacuation and Repatriation. **Your** insurance certificate will show which **you** have. If **you** want to check this, **you** can check in MembersWorld, or contact **us**.

Evacuation covers **you** for reasonable transport costs to the nearest appropriate place of **treatment**.

Repatriation also gives **you** the option to travel to **your country of nationality** or **your country of residence**.

We may authorise evacuation if **you** need a CT, MRI or PET scan, or cancer **treatment** such as radiotherapy or chemotherapy.

You must contact **us** before **you** travel, and **we** must agree the arrangements with **you**. If **you** do not, **we** may not pay the costs of **your** transport and **treatment**.

Notes:

- **We** will only pay for Evacuation when the **treatment you** need is not available where **you** are. **We** will help **you** get to the nearest place where the **treatment you** need is available. This could be to another part of the country that **you** are in. It might not be **your** home country.
- In some cases, **you** may request a medical repatriation when contacting **Bupa Global's** service partners for authorisation, but this may not be medically appropriate. In these cases, **we** will first evacuate **you** to the nearest appropriate place where **treatment** is available. Once **you** have been stabilised, **we** may then repatriate **you** to **your country of nationality** or **your country of residence**.

How to arrange your medical transfer

If **you** need a medical transfer, call **us** on +44 (0) 1273 323 563. **We** will arrange the medical transfer. **You** must give **us** any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if **we** arrange and agree everything in advance.

We will not approve a transfer which, in **our** reasonable opinion, is inappropriate based on established clinical and medical practice. **We** are entitled to conduct a review of **your** case if it is reasonable to do so. **We** will not authorise a medical transfer if this would be against medical advice.

We will guarantee to pay for a medical transfer that **we** have agreed and approved in advance. Please see the 'Pre-authorisation' section for more details. If someone else arranges a transfer which the plan covers, **we** will only pay what **we** would have paid if **we** had arranged the transfer.

- **We** will not cover a medical transfer if **you** were aware of the symptoms of **your** condition before **you** applied for Assistance cover.
- **You** must have Assistance cover in place before **you** need the **treatment**. **You** must also have cover for **treatment** in the country **you** need to be transferred from.
- **We** will not arrange a medical transfer if it is too dangerous to do so, or not practical to enter the area. This could be because of the local situation, or geography. Examples include war zones, or an oil rig.
- Transport depends on local or international resources. This can include equipment and crew. It must also remain within the scope of all law and regulations which apply. **We** may have to obtain authorisation from authorities. This is outside **our** control.
- **We** cannot be held liable for any delays or connection problems caused by the weather, mechanical problems, restrictions imposed by public authorities or by the pilot or any other condition beyond **our** control.
- **We** do not provide the transport and other services set out in the assistance cover section. **We** will arrange those services on **your** behalf. In some countries **we** may use service partners to arrange these services.
- **We** do not pay for extra nights in **hospital** when **you** are no longer having **active treatment** which **you** need to be in **hospital** for. An example would be if **you** are waiting for **your** return flight.

General information

Giving us true and complete information

The rules in this section apply if **you** give **us** information, or someone gives it to **us** on **your** behalf.

You must make sure that all information **you** give **us** is accurate and complete. This applies when **you** join the plan, and when it renews or changes. **You** must also tell **us** if anything **you** have told **us** in the application form changes before **your** cover starts. If **you** do not, **we** may treat **your** cover and claims as **we** would have done if **we** had received accurate and complete information. **We** can do this if **you** are reckless, negligent or careless when **you** give **us** information which is not accurate or complete, or **you** do it on purpose. This means:

- **we** may treat **your** cover as if it had never existed (if **you** have been negligent or careless, **we** can do this if **we** would have refused to cover **you**)
- **we** may apply different terms to **your** cover. **We** can do this if **we** would have covered **you** on those terms. For example **your** cover may contain new personal exclusions or restrictions. This means **we** will only pay a claim if it is covered by those different terms
- **we** may reduce the amount payable for any claim. **We** can do this if **we** would have charged a higher premium. **We** then compare the higher premium to the original premium. For example, **we** will only pay half a claim if **we** would have charged twice the premium.

If **we** need to do this, it would take effect from the date **you** joined, or the cover renewed or changed (this depends on when **we** received the information).

Where it is a **dependant** (or **you** on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the membership which applies to the **dependant**, or to claims made by that **dependant**.

Sanctions

We will not provide cover and **we** will not pay any claim or provide any benefit under this insurance, if doing so would:

- break any United Nations resolution, or any trade or economic sanctions, laws or regulations that apply to **us** (including those of the European Union, the **UK**, and / or the U.S.), or
- put **us** at risk of being sanctioned by any relevant authority or competent body, or
- put **us** at risk of being involved (directly or indirectly) in something which any relevant authority, banks **we** use, or competent body would consider to be banned or restricted.

If any resolutions, sanctions, laws or regulations referred to in this clause apply (or start to apply), **we** can take any action **we** consider necessary, to make sure **we** continue to work within them. If this happens, **you** acknowledge that this may restrict, delay or end **our** obligations under **your** plan, and **we** may not be able to pay any claim.

Sharing documents

We only return official documents such as birth or death certificates. If **you** send any other original documents to **us** (such as a receipt), **you** can ask **us** to send **you** a copy of it.

Financial crime

The **Bupa Group** agree to keep to all **UK** laws relating to detecting and preventing financial crime (including the Bribery Act 2010 and the Proceeds of Crime Act 2002).

U.S. Patient Protection and Affordable Care Act

Our global health plans are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be named on it. The provisions of the Affordable Care Act are complex and whether or

not **you** or **your dependants** are affected by its requirements will depend on a number of factors.

You should consult an independent professional financial or tax advisor for advice. For customers whose coverage is provided under a group health plan, **you** should speak to **your** health plan administrator for more information.

The law which applies to this plan

This plan is governed by Irish law. If **we** cannot resolve a dispute, only the courts in Ireland can decide it.

If there is a dispute about how to interpret this guide, the English language version will take precedence over any other language version.

Liability

Our role under this plan is to provide **you** with insurance cover and sometimes to arrange (on **your** behalf) for **you** to receive any covered benefits. It is not **our** role to provide **you** with the actual covered benefits.

The **main member**, on behalf of themselves and their **dependants**, appoints **us** to act on **your** behalf to make appointments or arrange for **you** to receive the **treatment** or service which **you** need. **We** will use reasonable care when acting on **your** behalf.

We (and the **Bupa Group**) shall not be liable to **you** or anyone else for any loss, damage, illness or injury that may occur as a result of **you** receiving any **treatment** or service, nor for any action or failure to act of any provider or other person providing **you** with any **treatment** or service. **You** should be able to bring a claim directly against such provider or other person.

This does not affect **your** statutory rights.

Contributing individuals

This section applies only to people who pay towards the premium (for example, through payroll deduction).

The **sponsor** must pay to **us** premiums and any other payment due for every person covered under the **agreement**. If **you** pay towards the premium for yourself (or anyone else), this does not make **you** a party to the **agreement**.

We consider that **we** have received payments by **you** towards the premium as soon as the **sponsor** receives them from **you**.

We will give **you** the terms and conditions for **your** cover as soon as **we** reasonably can. The **sponsor** will tell **you** how much **you** will need to pay towards the premium for the next **membership year**.

If **you** do not want to renew **your** cover or the cover for any of **your dependants**, **you** can let **your sponsor** know at any time in advance of the **renewal date**. If **your** cover does not renew, **your dependants** will no longer have cover either.

Demands and needs statement

The cover provided by **your** group plan is generally suitable for someone who is looking to cover the cost of a range of health expenses. **We** have not given **you** any advice about **your** cover and how it meets **your** needs. Please read **your** insurance certificate and this guide to make sure that the cover meets **your** needs.
